

## Cops for Kelly

The Saint Paul Police Federation overwhelmingly endorses Randy Kelly for Mayor. "Mayor Kelly has over a thirty year history of supporting public safety," said David Titus, President of the police union.

At the Mayor's Budget Address this August, Mayor Kelly announced plans to add 100 more cops over the next five years to our city's police force. "Even in these very difficult financial times Randy Kelly is committed to keeping our city safe. Public safety is the foundation for good schools, strong business, and secure neighborhoods. Randy understands this," Titus stated. We encourage everyone who lives, works, or plays in Saint Paul to join us in keeping our city moving forward safely. The Saint Paul Police Federation asks you to support Randy Kelly for Mayor.
